INDEPENDENT AUDITOR'S REPORT

Northern Tier Community Action Corporation
Emporium, PA 15834

Members of the Board:

Report on the Financial Statements

We have audited the accompanying financial statements of Northern Tier Community Action Corporation (a nonprofit organization), which comprise the statement of financial position as of June 30, 2017, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Northern Tier Community Action Corporation as of June 30, 2017, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Supplementary and Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The financial information listed as supplemental information in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements of the Corporation. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 20, 2018, on our consideration of Northern Tier Community Action Corporation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Northern Tier Community Action Corporation's internal control over financial reporting and compliance.

Notes to Financial Statements

June 30, 2017

Note 1 - Summary of Significant Accounting Policies

The summary of significant accounting policies of Northern Tier Community Action Corporation (Corporation) is presented to assist in understanding the Corporation's financial statements. The financial statements and notes are representations of the Corporation's management, who is responsible for their integrity and objectivity. These accounting policies have been consistently applied in the preparation of the Corporation's financial statements.

Programs and Activities

Northern Tier Community Action Corporation, a nonprofit organization, was organized in 1966, as the official anti-poverty agency of Pennsylvania's Cameron, Elk, McKean and Potter counties. The Corporation adheres to the Economic Opportunity Act of 1964, and the Community Services Act of 1975, dealing extensively with the "Economic Disadvantaged" of the four-county area.

Financial Statement Presentation

The Corporation is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. In addition, the Corporation is required to present a statement of cash flows.

Contributions

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence or nature of any donor restrictions.

The Corporation reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

The Corporation reports gifts as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Corporation reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles.

Northern Tier Community Action Corporation

Notes to Financial Statements (continued)

June 30, 2017

Note 1 - Summary of Significant Accounting Policies (continued)**Fair Value of Financial Instruments**

The Corporation's financial instruments are cash and cash equivalents, accounts receivable, accounts payable, and notes payable. The recorded values of cash and cash equivalents, accounts receivable, and accounts payable approximate their fair values based on their short-term nature.

The recorded values of notes payable approximate their fair values, as interest approximates market rate.

Accounts Receivable

No allowance for uncollectible accounts is maintained. Accounts determined to be uncollectible are specifically charged off.

Inventory

Weatherization material inventories totaling \$129,426.62 at June 30, 2017, are stated at cost, determined by the first-in, first-out method. There were no commodity inventory items on hand at June 30, 2017.

Office and maintenance supply inventories are charged to operations at time of purchase.

Income Tax Basis

The Corporation is a nonprofit organization exempt from federal income tax under Section 501 (c)(3) of the Internal Revenue Code. Therefore, no provision for income taxes is reflected in the financial statements. The Corporation's information returns are subject to examination, generally for three years after the filing date.

Cash and Cash Equivalents

For purposes of the statement of cash flows, cash and cash equivalents are considered to be all unrestricted highly liquid investments with maturities of three months or less at the time of acquisition.

Compensated Absences

Corporation employees are entitled to annual leave, paid sick days and personal days off. No liability has been recorded in the accompanying financial statements for accrued days off. The Corporation's policy is to recognize the cost of compensated absences when actually paid to employees.

Northern Tier Community Action Corporation

Notes to Financial Statements (continued)

June 30, 2017

Note 1 - Summary of Significant Accounting Policies (continued)**Property and Equipment**

Property and equipment are stated at cost, and consist of assets with estimated useful lives greater than one year, and costing \$5,000 or more.

The cost of property and equipment is depreciated over the estimated useful lives of the related assets. Depreciation is computed on the straight-line method for financial reporting purposes. The estimated useful lives by major category are as follows:

	<u>Range of Lives</u>
Building and Building Improvements	40 years
Buses and Vehicles	7 - 10 years
Program and Office Equipment	7 - 10 years

The cost of assets sold or otherwise disposed of and the accumulated depreciation thereon are eliminated from the accounts and the resulting gain or loss is reflected in income, except for assets traded. Expenditures for maintenance and repairs are charged to income as incurred. Replacements are capitalized in the year placed in service.

Functional Expenses

Expenses are charged to each program based on direct expenditures incurred. Labor expenditures are allocated to each program based on budgeted amounts.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from estimated amounts.

Subsequent Events

Management has evaluated subsequent events through March 20, 2018, the date the financial statements were available.

Total Columns

Total columns are presented to facilitate financial analysis. Data in these columns do not present financial position, results of operations and changes in net assets in conformity with generally accepted accounting principles; nor is such data comparable to a consolidation.

Note 1 - Summary of Significant Accounting Policies (continued)

Recent Accounting Pronouncements

In February 2016, the FASB issued ASU 2016-2, *Leases* (Topic 842). The guidance in this ASU supersedes the leasing guidance in Topic 842, *Leases*. Under the new guidance, lessees are required to recognize lease assets and lease liabilities on the balance sheet for all leases with terms longer than 12 months. Leases will be classified as either finance or operating, with classification affecting the pattern of expense recognition in the income statement. The guidance is effective for the fiscal years beginning after December 15, 2019.

In August 2016, the FASB issued ASU 2016-14, *Presentation of Financial Statements of Not-for-Profit Entities*. The amendments in this ASU make certain improvements that address many, but not all, of the identified issues about current financial report or not-for-profit entities. The standard improves the current requirements related to net asset classifications, liquidity assessment, expense reporting consistency, and methods used to present cash flows from operations. This guidance is effective for the fiscal years beginning after December 15, 2017.

The Corporation is currently evaluating the impact of the pending adoption of the new standards on the financial statements.

Note 2 - Deposits

The following is a summary of cash deposits which are insured by the Federal Deposit Insurance Corporation, collateralized with securities held by the financial institution's trust department in the Corporation's name, or were neither insured nor collateralized, or were collateralized in accordance with Act 72 which permits the financial institution to pool collateral for all governmental deposits and have the collateral held by an approved custodian in the institution's name.

The Corporation's funds were deposited in checking and interest bearing accounts with Northwest Savings Bank, Emporium, PA. Separate accounts are maintained if contract provisions require that certain funds be segregated by funding source. Deposits are insured up to \$250,000 by the Federal Deposit Insurance Corporation (FDIC).

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Northern Tier Community Action Corporation
Emporium, PA 15834

Members of the Board:

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Northern Tier Community Action Corporation (a nonprofit organization), which comprise the statement of financial position as of June 30, 2017, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated March 20, 2018.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Northern Tier Community Action Corporation's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Northern Tier Community Action Corporation's internal control. Accordingly, we do not express an opinion on the effectiveness of the Corporation's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Northern Tier Community Action Corporation's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Corporation's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Northern Tier Community Action Corporation
Emporium, PA 15834

Members of the Board:

Report on Compliance for Each Major Federal Program

We have audited Northern Tier Community Action Corporation's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Northern Tier Community Action Corporation's major federal programs for the year ended June 30, 2017. Northern Tier Community Action Corporation's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Northern Tier Community Action Corporation's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Northern Tier Community Action Corporation's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Northern Tier Community Action Corporation's compliance.

Opinion on Each Major Federal Program

In our opinion, Northern Tier Community Action Corporation complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2017.

Other Matters

The results of our auditing procedures disclosed instances of noncompliance, which are required to be reported in accordance with the Uniform Guidance and which are described in the accompanying schedule of findings and questioned costs as items 2017-001 and 2017-002. Our opinion on each major federal program is not modified with respect to these matters.

Northern Tier Community Action Corporation's response to the noncompliance findings identified in our audit is described in the accompanying schedule of findings and questioned costs. Northern Tier Community Action Corporation's response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

Report on Internal Control Over Compliance

Management of Northern Tier Community Action Corporation is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Northern Tier Community Action Corporation's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Northern Tier Community Action Corporation's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weakness may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
