## INDEPENDENT AUDITOR'S REPORT

To the Members of the Board of  
Northern Tier Community Action Corporation

### Report on the Financial Statements

We have audited the accompanying financial statements of Northern Tier Community Action Corporation (a nonprofit organization), which comprise the statement of financial position as of June 30, 2020, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Northern Tier Community Action Corporation as of June 30, 2020, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### *Supplementary and Other Information*

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The financial information listed as supplemental information in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements of the Corporation. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

## Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 29, 2021, on our consideration of Northern Tier Community Action Corporation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Northern Tier Community Action Corporation's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Northern Tier Community Action Corporation's internal control over financial reporting and compliance.

Notes to Financial Statements

June 30, 2020

### Note 1 - Summary of Significant Accounting Policies

The summary of significant accounting policies of Northern Tier Community Action Corporation (Corporation) is presented to assist in understanding the Corporation's financial statements. The financial statements and notes are representations of the Corporation's management, who is responsible for their integrity and objectivity. These accounting policies have been consistently applied in the preparation of the Corporation's financial statements.

#### Programs and Activities

Northern Tier Community Action Corporation, a nonprofit organization, was organized in 1966, as the official anti-poverty agency of Pennsylvania's Cameron, Elk, McKean and Potter counties. The Corporation adheres to the Economic Opportunity Act of 1964, and the Community Services Act of 1975, dealing extensively with the "Economic Disadvantaged" of the four-county area.

#### Financial Statement Presentation

These financial statements present the Corporation's financial position, statement of activities and cash flows reflecting the presence or absence of donor-imposed restrictions. Net assets are classified according to the nature of restrictions, as follows:

**Without donor restrictions** – Net assets that are not subject to donor-imposed stipulations. Net assets without donor restrictions may be designated for specific purposes by action of the Board of Directors or may otherwise be limited by contractual agreements with outside parties.

**With donor restrictions** – Net assets that are subject to donor-imposed stipulations. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates the resources be maintained in perpetuity. Donor-imposed restrictions are released when the restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource has been restricted has been fulfilled, or both.

#### Contributions

Gifts of cash and other assets are presented as support with donor restrictions if they are received with donor stipulations that limit the use of donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

The Corporation reports gifts as without donor restrictions unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Corporation reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

**Note 1 - Summary of Significant Accounting Policies (continued)**

**Basis of Accounting**

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles.

**Fair Value of Financial Instruments**

The Corporation's financial instruments are cash and cash equivalents, accounts receivable, accounts payable, and notes payable. The recorded values of cash and cash equivalents, accounts receivable, and accounts payable approximate their fair values based on their short-term nature.

The recorded values of notes payable approximate their fair values, as interest approximates market rate.

**Accounts Receivable**

No allowance for uncollectible accounts is maintained. Accounts determined to be uncollectible are specifically charged off.

**Inventory**

Weatherization material inventories totaling \$104,146.85 at June 30, 2020, are stated at cost, determined by the first-in, first-out method. There were no commodity inventory items on hand at June 30, 2020.

Office and maintenance supply inventories are charged to operations at time of purchase.

**Income Tax Basis**

The Corporation is a nonprofit organization exempt from federal income tax under Section 501 (c)(3) of the Internal Revenue Code. Therefore, no provision for income taxes is reflected in the financial statements. The Corporation's information returns are subject to examination, generally for three years after the filing date.

**Cash and Cash Equivalents**

For purposes of the statement of cash flows, cash and cash equivalents are considered to be all unrestricted highly liquid investments with maturities of three months or less at the time of acquisition.

**Northern Tier Community Action Corporation**

Notes to Financial Statements (continued)

**Note 1 - Summary of Significant Accounting Policies (continued)**

**Compensated Absences**

Corporation employees are entitled to annual leave, paid sick days and personal days off. No liability has been recorded in the accompanying financial statements for accrued days off. The Corporation's policy is to recognize the cost of compensated absences when actually paid to employees.

**Property and Equipment**

Property and equipment are stated at cost, and consist of assets with estimated useful lives greater than one year, and costing \$5,000 or more.

The cost of property and equipment is depreciated over the estimated useful lives of the related assets. Depreciation is computed on the straight-line method for financial reporting purposes. The estimated useful lives by major category are as follows:

	<u>Range of Lives</u>
Building and Building Improvements	40 years
Buses and Vehicles	7 - 10 years
Program and Office Equipment	7 - 10 years

The cost of assets sold or otherwise disposed of and the accumulated depreciation thereon are eliminated from the accounts and the resulting gain or loss is reflected in income. Expenditures for maintenance and repairs are charged to income as incurred. Replacements are capitalized in the year placed in service.

**Functional Expenses**

The Corporation's expenses are charged to each program based on direct expenditures incurred along with a prorated share of common administrative costs incurred, subject to the limitations provided for in the individual contracts and award agreements.

**Use of Estimates**

The process of preparing financial statements in conformity with generally accepted accounting principles requires the use of estimates and assumptions regarding certain types of assets, liabilities, revenues, and expenses. Such estimates primarily relate to unsettled transactions and events as of the date of the financial statements. Accordingly, upon settlement, actual results may differ from estimated amounts.

#### Subsequent Events

The Corporation's operations may be affected by the recent and ongoing outbreak of coronavirus disease 2019 (COVID-19) which was declared a pandemic by the World Health Organization in March 2020. The ultimate disruption which may be caused by the outbreak is uncertain; however, it may result in a material adverse impact on the Corporation's financial position, operations, and cash flows. Possible effects may include, but are not limited to, disruption to the Corporation's clients and revenue, absenteeism in the Corporation's labor workforce, unavailability of products and supplies used in operations, and a decline in value of assets held by the Corporation.

Management has evaluated subsequent events through March 29, 2021, the date the financial statements were available.

#### Total Columns

Total columns are presented to facilitate financial analysis. Data in these columns do not present financial position, results of operations and changes in net assets in conformity with generally accepted accounting principles; nor is such data comparable to a consolidation.

#### Recent Accounting Pronouncements

In February 2016, the FASB issued ASU 2016-2, *Leases* (Topic 842). The guidance in this ASU supersedes the leasing guidance in Topic 842, *Leases*. Under the new guidance, lessees are required to recognize lease assets and lease liabilities on the balance sheet for all leases with terms longer than 12 months. Leases will be classified as either finance or operating, with classification affecting the pattern of expense recognition in the income statement. The guidance is effective for the fiscal years beginning after December 15, 2021. The Agency is currently evaluating the impact of the pending adoption of the new standards on the financial statements.

### Note 2 - Deposits

The following is a summary of cash deposits which are insured by the Federal Deposit Insurance Corporation, collateralized with securities held by the financial institution's trust department in the Corporation's name, or were neither insured nor collateralized, or were collateralized in accordance with Act 72 which permits the financial institution to pool collateral for all governmental deposits and have the collateral held by an approved custodian in the institution's name.

The Corporation's funds were deposited in checking and interest bearing accounts with Northwest Savings Bank, Emporium, PA. Separate accounts are maintained if contract provisions require that certain funds be segregated by funding source. Deposits are insured up to \$250,000 by the Federal Deposit Insurance Corporation (FDIC).

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL  
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN  
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Members of the Board of  
Northern Tier Community Action Corporation

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Northern Tier Community Action Corporation (a nonprofit organization), which comprise the statement of financial position as of June 30, 2020, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated March 29, 2021.

## Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Northern Tier Community Action Corporation's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Northern Tier Community Action Corporation's internal control. Accordingly, we do not express an opinion on the effectiveness Northern Tier Community Action Corporation's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Northern Tier Community Action Corporation's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Corporation's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

## INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Members of the Board of

### Report on Compliance for Each Major Federal Program

We have audited Northern Tier Community Action Corporation's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Northern Tier Community Action Corporation's major federal programs for the year ended June 30, 2020. Northern Tier Community Action Corporation's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

### Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Northern Tier Community Action Corporation's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Northern Tier Community Action Corporation's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

### Report on Internal Control Over Compliance

In planning and performing our audit of compliance, we considered Northern Tier Community Action Corporation's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Northern Tier Community Action Corporation's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weakness may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
